

## Weekly Newsletter 7th September 2018

Children and adults have settled back into school very quickly. We had a worship this week which we themed around the idea of shoes. When we asked the children who had new shoes nearly all hands went up. As with new shoes they can feel a little strange when they are first worn, but we quickly become accustomed to them, as with any changes in school, such as a new teacher. Everyone has settled very well.

### Certificates this week

Ladybirds class Archie for perseverance. Isla for connecting.

Kestrels class The whole class for perseverance.

Squirrels class Year 5 for friendship Year 6 for friendship

### Termly newsletter

Please read each classes termly newsletter; these describe the areas of the curriculum that will be covered this term. It is useful so that you can ask more specifically what your children have been studying and help them to recall information. They are published on the school website.

### Chewing gum

Please can you ensure that your child does not bring chewing gum or sweets of any kind into school.

### School Uniform

Thank you for your patience with regard to school uniform that has not arrived. Just to reassure you the uniform was ordered in a timely fashion but there has been a delay at the supplier. We hope to receive all outstanding orders in the coming week.

### School Calendar

Apologies for the delay in issuing the school calendar. Some immediate dates are below and we hope to issue the calendar shortly.

### Friday celebration worship

Parents are now invited to attend our worship in school on Fridays. We are changing the worship time on Friday to allow parents to easily attend. The worship consists of giving out certificates and awards to the children, celebrating birthday and school news. Once each term each of the classes will conduct the worship. Celebration worship will start each week at 3.50pm.
