Use the 'Numbers to 20' powerpoint to practice reading numbers to 20. Play from the beginning of 'Slideshow' mode and the numbers will appear in a random order. Let me know how your child gets on with this activity (photo playing the game?) or write down the numbers as they appear and tick if your child knows. English and Project
VE DAY – 75th Anniversary Celebrations

Learning Overview and Activities (ENGLISH FOCUS)

We have given you a few ideas for English this week – we would love everybody to complete 1 and 2. As this is a whole school project, we don't mind if you (and definitely encourage you to) complete it with your brothers or sisters if you want to.

Writing Activity 1

This week we would like you to complete a project about VE day. Present your learning in any way that you wish and try to spend a little bit of time each day working on your project. There are lots of really good resources available to support you in learning about VE day and we have included a few links on the right to get you started. We have also made a video for you to summarise some of the key facts.

You can use any publishing tools on Purple Mash to help you – 2Publish+ has lots of really good templates to use, 2Create a Story is also a good app. You can also work on paper and ask your parents to send in your work.

Sometimes it is a little hard to think of ideas, so we have also set a few 2Dos in Purple Mash to give you some ideas, or for you to complete instead.

Writing Activity 2

For this activity, we would like you to write a letter/make a card for Her Majesty The Queen to thank her for the contribution she made to the war effort. Tell her how you have been learning all about - and celebrating - VE day. We have set this as a task in Purple Mash, but if you want to write it and send us a picture that is great!

Writing Activity 3

Pobble 365 is a website which shows a picture for every day of the year, with linked writing activities. The whole school task is about saying 'Thank You' which is really relevant for us now, and also when thinking about VE Day. Write a message for a soldier coming home from the War inside a thank you card... here are some simple examples.

you for your
Service to
Our Country

- Forever
Grateful

As we celebrate VE day this week, we remember people who lived through those times (past generations) who gave so much. We also remember their legacy - peace in the world. Write your own prayer asking for peace to honour those brave men and women that fought to seek this, both abroad and at home so many years ago and also more recently.

If you are just saying a prayer, perhaps ask your adult to take a photo of you doing this and add to your project.
