## Kestrels Class Home Learning Overview

### Summer Term 6, Week 5 (29<sup>th</sup> June - 3<sup>rd</sup> July 2020)

This overview provides you with ideas to complete focussed home learning this week.

If you need any help, or have any questions, please do not hesitate to email me: [class2@nonington.kent.sch.uk](mailto:class2@nonington.kent.sch.uk)

I have included links to websites with videos and activities, you have the option to print activity sheets for your children to complete should you wish (**it is not compulsory to do this**). Most of the activities can be done by your child viewing the activity on the screen and writing their working out/answers down.

It would also be great to see some of the things that the children are doing, feel free to send any photos or scans of the children's learning or other activities

#### Maths - This week focuses on Statistics/Graphs

#### Learning Overview and Activities (Project focus) Light

#### Resources

##### Objectives:

- I am learning about the world around me
- I can present my learning.

T6 Wk4 and Wk5 ppt.

Complete any of the activities that you didn't do last week, and remember to send in any of your completed work. The activities listed below are all explained in the [Light ppt.](#)

#### NEW: VIRTUAL SPORTS WEEK:

TeamTheme have invited lots of schools to take part in a Virtual Sports Week, and for this, you will need to practice the activities shown on the youtube link opposite and ask an adult/sibling to record your scores. In a couple of weeks, we will collect in your scores and they will be submitted. Certificates will be given to each competitor, and also for the highest scores in different age groups.

**YouTube Link** - <https://www.youtube.com/watch?v=EDHx5-TLIKA>

The events are: speed bounce, squats, star jumps, wall ball, plank, football toe-taps, burpees, standing long jump.  
No special equipment is needed, except a tape measure.

#### Get practising! Make sure you keep your scores somewhere safe...

Yr R & 1 – 20 seconds per event; Yr 2 & 3 = 30 seconds per event; Yr 4 & 5 = 40 seconds per event; Yr 6 & teachers = 60 seconds per event.

#### Activity 1

Find out the definitions of the keywords on the ppt on slide 2 and write these out neatly and clearly in a list or table.
