

Nonington Church of England Primary School
Ladybirds Class, Year 1 and 2 Home Learning Overview
Summer Term 6, Week 5 (29th June – 3rd July 2020)

If you need any help, or have any questions, please do not hesitate to email me: class1@nonington.kent.sch.uk.

I have included links to websites with videos and activities, all of which can be done by your child viewing the activity on the screen and discussing, writing their working out/answers down on paper or in Purple Mash. It would be great to see photos or scans of the children's learning or other activities done at home.

Resources

NEW: VIRTUAL SPORTS WEEK:

TeamTheme have invited lots of schools to take part in a Virtual Sports Week, and for this, you will need to practice the activities shown on the youtube link opposite and ask an adult/sibling to record your scores. In a couple of weeks, we will collect in your scores and they will be submitted. Certificates will be given to each competitor, and also for the highest scores in different age groups.

Get practising! Make sure you keep your scores somewhere safe

YouTube Link - <https://www.youtube.com/watch?v=EDHx5-TLIKA>

The events are: speed bounce, squats, star jumps, wall ball, plank, football toe-taps, burpees, standing long jump.

No special equipment is needed, except a tape measure.

Yr R & 1 – 20 seconds per event; Yr 2 & 3 = 30 seconds per event; Yr 4 & 5 = 40 seconds per event; Yr 6 & teachers = 60 seconds per event.

NEW: 72nd Anniversary of the NHS:

Watch the links and then write some sentences about what you learned about Alexander Fleming or Elizabeth Garrett-Anderson or you could design a poster celebrating the NHS.

Activity 1

Watch the Cookie Monster video within the link. Talk about your understanding to an adult or sibling. Draw the table and complete it, as directed in the link.

<https://www.bbc.co.uk/bitesize/articles/zhvmt39>

Activity 2

Complete the Challenge activity (4.35mins on the link). Draw up a similar table (or ask an adult to do this for you) or simply draw your 3 items, and write your 3 reasons, in full sentences, underneath each drawing.

Activity 3

Watch the BBC Teach section of the link (4.52mins). Then match the animal to their correct home/habitat. Do this by correctly copying down the animal name – and then writing their home alongside it.

Activity 4

Watch the video clip section of the link (7.58) about food chains. Find out and list some food chains – each chain needs to have a producer, consumer and a predator. There are some more links in the box to help with this.
