

Nonington Church of England Primary School
Ladybirds Class, EYFS Home Learning Overview
Summer Term 6, Week 2 (8th – 12th June 2020)

This overview provides you with ideas to complete focussed home learning this week.

If you need any help, or have any questions, please do not hesitate to email me: class1@nonington.kent.sch.uk

It would also be great to see some of the things that the children are doing, feel free to send any photos or scans of the children’s learning or other activities

Choose some activities to do from the Activity Menu – try to do 1 Maths Activity, 1 Phonics and 1 Writing Activity – the Rainbows activities are optional extras.

Don’t forget to look at Purple Mash and complete any activities set on there

Maths Menu	Phonics Menu
<p>https://youtu.be/oKqAblcwFOA Use this link to practice the order of the days of the week.</p> <p>Write out the days of the week for your child, cut into strips, practice reading each one and then ask them to order them.</p> <p>https://www.youtube.com/watch?v=XyMw-j5Fmnc Watch ‘The Princess and the Wizard’ on the link above.</p> <p>Together, watch and discuss the input on this link... https://whiterosemaths.com/homelearning/early-years/ then complete some of the activities in the ‘Get the activity’ box/link.</p> <p>Throughout the week, move through some of the other days on the same link above and complete the learning you feel is most accessible/suitable/interesting. Only do as much as you feel is appropriate.</p>	<p>https://new.phonicsplay.co.uk/ username: march20 password: home</p> <p>Let your child explore the games and activities, either in Phase 3 or Phase 2. If they feel confident, they could and should choose from Phase 4 activities – this phase develops and consolidates their existing knowledge.</p>

English and Project

Daily Spelling Punctuation and Grammar Activity Menu:

Check your 2Dos on Purple Mash for other games and activities you may like to complete.
Also you could try <https://www.phonicsbloom.com/uk/game/phonics-frog?phase=3>

Phonics: <https://new.phonicsplay.co.uk/> username: march20 password: home

Suggested activities. **Year 1: Choose Phase 3 & 4** **Year 2 Select Phase 5 please.**

Also, you can choose any activities that you like the look of ...

There are Phonics activities on Purple Mash that you may like to do as well.

For the next 2 weeks, you will complete a project with a writing focus, then for the 2 weeks after that, your project will have a science focus, and the term will finish with a 2-week theme focus.

Learning Overview and Activities (WRITING FOCUS):

Reading: Read the story of 'The Very Hungry Caterpillar' to an adult or sibling using the powerpoint 'Year R Very Hungry Caterpillar powerpoint'.

Your adult can help with any tricky words

Over the course of the next 2 weeks, complete the activities in the ppt – Year R Minibeasts.

Take your time and have fun with it.

Learning Overview/Activities (Project) : Rainbows

Resources

Objectives:

- I am learning about the world around me
- I can conduct an experiment.
- I can present my learning.

Choose from the activities and send any pictures of what you do!

One of the most magical sights in nature is a rainbow.

Activity 1

Go on a rainbow walk – try to find objects of different colours in the rainbow. Use pencils or crayons to draw the objects you find. Label your drawings.

Activity 2

Make a 'Thank you' card or picture for a Key Worker - include a rainbow somewhere in your design.

Activity 3

Make a rainbow collage using anything you can find of the right colours – eg, sweet wrappers, tissue paper, natural objects, material, magazine cuttings, etc.

Activity 4

If you are allowed, use a packet of skittles, and arrange them around the edge of a white plate. Pour enough warm water to cover the skittles and the plate itself. Watch and wait for a rainbow to appear. Take photos of your experiment
