

Nonington Church of England Primary School Squirrels Class Home Learning Overview Summer Term 2, Week 5 (29th June – 3rd July 2020)

The format for home learning is changing from this week. So that we can give more variety for the remaining weeks of the summer term, there will be more emphasis on project work. There will still be, of course, English and maths tasks for the children to complete.

If you need any help, or have any questions, please do not hesitate to email me: class3@nonington.kent.sch.uk.

I have included links to websites with videos and activities, all of which can be done by your child viewing the activity on the screen and discussing, writing their working out/answers down on paper or in Purple Mash.

It would also be great to see some of the things that the children are doing, feel free to send any photos or scans of the children's learning or other activities.

Maths - This week focuses on Area and Perimeter

Daily Maths Activity Menu:

I am only setting Doodle Maths for our Daily Maths Menu this week – I would like more of you to be using Doodle Maths this week – Try and Login every day and have a go at Maths and Times Tables. Let's see if we can be the winning class with the most Doodling! Don't forget to have a go at the extra activity that I have set for you

Learning Overview and Activities (ENGLISH FOCUS)

Reading – Reading will be set on Purple Mash.

I have set lessons from the Oak National Academy this week. The lessons focus on writing biographies which will help you with your project work. I have also included a Pobble below. Feel free to record your work in whatever way you wish. I am looking forward to seeing what you have done.

Additional Writing Activity

This week's Pobble 365 – You can complete this on paper, or use one of the tools in Purple Mash

<https://www.pobble365.com/shipwreck>

Finish this story Shipwreck

Three weeks. That is how long the ship had been like this; empty, abandoned, alone...

Now, all was still. All was calm. The ship lay there, as if in a peaceful slumber, gently rocking like a baby's cradle in the tranquil bay. The sea barely moved. It was covered in a thin layer of wispy mist that sat on top of the water like a comforting blanket, gently illuminated by the fading sunlight.

A bird landed gently on the mast of the lonely ship, pleased to have found a resting place after a long journey.

Everything seemed to have turned blood-red. The sun looked down on the bay from his position in the sky, soon to go to sleep himself, casting a crimson light over the clouds and the milky water in the bay.

What had happened here? Why was it so peaceful? Had it always been so?

Can you tell the story of the shipwreck, describing how it happened? Think about where the crew are now...Are they safe or in danger?

You could write the story from the perspective of one of the crew, or you could write as the bird sitting on the mast.

<p>Perfect Picture: Think about how the ship became shipwrecked. Could you draw the scene? Could you describe it?</p>	<p>Question Time:</p> <p>What colour is the sea? Is it blue?</p> <p>Why is this sea not blue?</p> <p>Where have the crew gone?</p> <p>How long has the ship been like this?</p> <p>What's the difference between a sea and an ocean? Is there a difference?</p> <p>What's the difference between a lake and an ocean?</p> <p>If a millionaire is shipwrecked on an island, are they still a millionaire?</p>	<p>Sentence challenge:</p> <p>Personification is when you give human qualities to an object or animal. It adds interest or understanding to a poem or story.</p> <p>E.g. Lightning danced across the sky.</p> <p>The wind howled in the night.</p> <p>Can you use personification in your writing? Can you find any personification in my writing?</p>	<p>These sentences are 'sick' and need help to get better. Can you help?</p> <p>The sun was in the sky.</p> <p>It was a warm evening and the sun shone on the water.</p>

This week we are continuing our project about Barack Obama. Watch the lesson video here:

<https://youtu.be/6wMvXP5I4RM>

The video contains a set of different sessions, so it is likely that you will return to this over the week. I have also sent this as a Powerpoint presentation if you prefer to work through it in that way.

Within the lesson video there are links to the following sites to help you:
