

11:15 – 12:00 and 14:00 – 14:55
Project – Art – Ancient Greece

Monday 25th January 2021
25/01/2021

Project Introduction – Ancient Greece!

In this project we will be exploring Ancient Greece, focussing on the variety of sculptures and their uses, as well as the different styles and features of Ancient Greek pottery.

As well as developing our art skills, we will also be making links to history, learning how studying art history can reveal information about the past, and exploring non-chronological report writing in our English through the learning journey.

This set of resources will cover the two sessions for project on the timetable for today – work through at your own pace. You could rearrange your learning and do all the activities in one go if you want to.

Art – Ancient Greece

LO: To build our foundations for learning in this project *by activating prior knowledge, making connections and thinking about what we would like to know.*

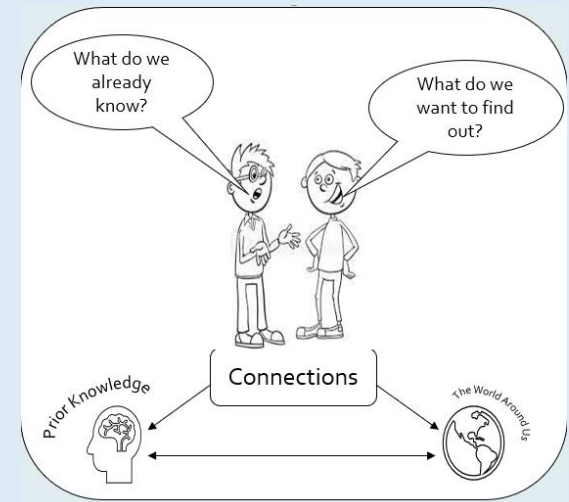

TASK 1:

Complete a circle map for this topic.

Go back to the previous slide to remind yourself of the project overview.

Your circle map should include information about:

- What you already know about this topic,
- What links this project to other subjects/topics,
- How this subject links to the work around us,
 - What careers might need this knowledge,
- What do we wonder/what questions do we have?

Pupil Voice

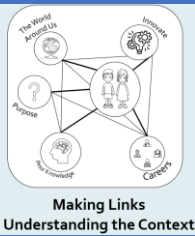

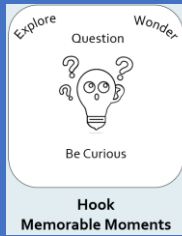

Click on the picture on the left to visit the British Museum via Google Street View

The link below will allow you to explore all of the galleries in the museum

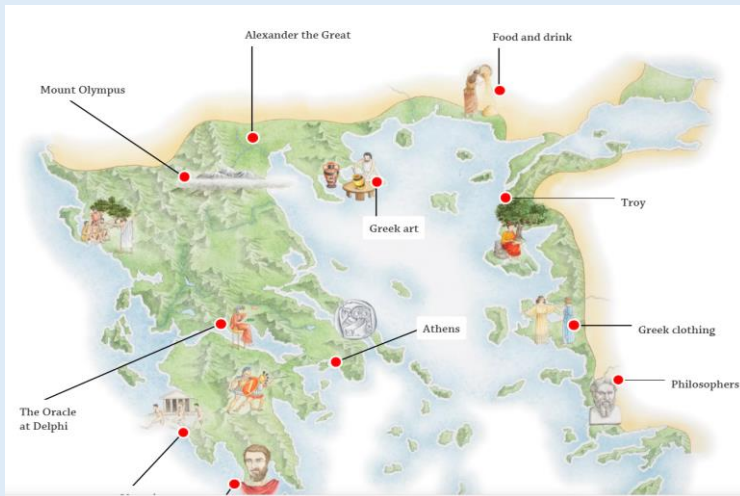

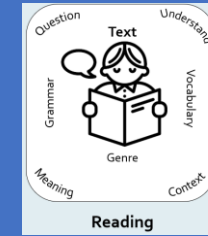

<https://www.britishmuseum.org/collection/galleries>

Task 2

Be a researcher!

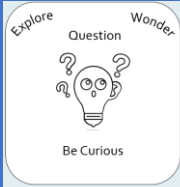

Go on a virtual tour of the British Museum using the links above.
What can you find out about Ancient Greek art and sculpture?

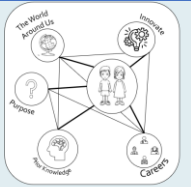

Click on the each of the pictures to the left and right to visit DK Find Out and the BBC Website.

What can you revise/discover about the Ancient Greeks?

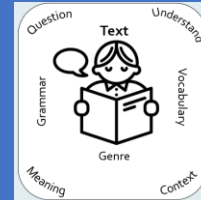

Hook
Memorable Moments

Making Links
Understanding the Context

Task 3

Communicate your research

Reading

Storytelling

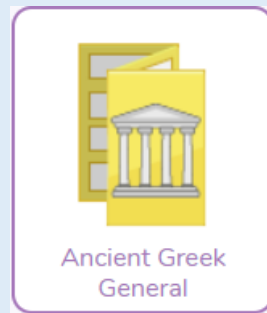

What time period were the Ancient Greeks? (can you show me on a timeline?)

What were Ancient Greek pastimes?

Who were notable Ancient Greeks?

After completing some research, I would like you to present it to me.
You can choose how you do this.
Perhaps you will make a poster, or a leaflet.
Perhaps you will write an information text.
Try and include information linked to any questions you had in task 1, or those around the edge of this page.

I have set a leaflet activity in Purple Mash if you choose to do your work there.

Where would I have found the Ancient Greeks?

How do we know about Ancient Greeks?

What do we know about Ancient Greek clothes and food?
