I can produce creative work taking inspiration from others but incorporating my own ideas and using a range of materials

You will need:

A shoe box or similar

Scissors, glue, colouring pens/pencils and/or paint

Any scraps of materials, fabrics, card, etc

Time and imagination

Watch/Listen to this link by illustrator Lydia Monks, who did the illustrations for 'What the Ladybird Heard' by Julia Donaldson.

Collect any resources possible to make your own 'Story box/theatre for What the Ladybird Heard', 'The Smartest Giant' or any other favourite story of your choosing.

If you have siblings, this could be a joint project. Perhaps older children, you could write instructions explaining to others how you made it.  
***You may like to add to your story box over the week.***
