

Whole School Book Week Overview

1st March – 5th March 2021

On 4th March it is World Book Day.

Although we are not in school this week, we will still be completing tasks and activities to celebrate Children's Book Week. Our chosen author this year is Julia Donaldson.

During the week, you will be able to listen to stories read by staff and each day a different teacher is setting learning activities, for the whole school, linked to our chosen author.

On Friday we will be having a no-screen day again – there will be some tasks set for you to work together to complete.
