

Owls Home Learning Grid, Term 4, Feb 2022

Compulsory Activities

1 Housepoint each time
Times Tables Practice

<https://play.ttrockstars.com/auth/school/student/121938> or Purple Mash or <https://www.timestables.co.uk/>

1 Housepoint each time
Read aloud to parent or sibling
(recorded in reading record)

1 Housepoint each time
Spellings

There are no longer **optional home learning activities**, since we wish to have a focus on the more important elements of the curriculum, namely reading, spelling and times table recall.

If you wish to dive deeper into our theme topics, these are listed below.

English: Traditional Tales. World Book Day/Week is also during this term, so you may wish to explore some of their activities <https://www.worldbookday.com/>
Housepoints will be awarded as previously, so record any activities in reading records.

Science: Forces and Magnets. It is also Science Week 14th-18th March. This link suggests lots of Activities you may wish to try at home. Share anything you do via photos and messages in reading records. Again, housepoints will be awarded.

Art/History: Leonardo da Vinci. Dig deeper into the art and life of Leonardo da Vinci.

Housepoints will be awarded according to the depth and quality of work returned.
