Dear Parents and Carers,  
Please look through some of the activities  
Woodpeckers will cover as we enter the Summer

**English and Topic**

**On the Move!**

Our theme this term is 'On the Move; where we will be discussing different types of transport and the ways people travel. We will discuss when and why we might use certain types of transport and where we might go. We will look at the book 'Naughty bus' where we will be looking at different prepositions and using these in sentences. We will then move on to story mapping the text before changing it and writing our own versions of the story!

We will have a Geography focus this term where we will be looking at Snowdonia. We will be able to locate it on a map and be able to tell people things to do there as well as modes of transport we would use to get there. We will finish by painting landscapes of the beautiful views found in Wales.
